Attitude/ History/ Background/Relationships:

Hot headed, fast talker, wheeling & dealing, sells illegal cell phones to the Mafia for fast cash. Shouts a lot. Babysits her 5 little sisters all the time. Loves good Italian food and everything fast. She gets a bit sidetracked with her hassles, but is basically a good girl. She always gets mixed up with the DiFatta Brothers and their situations that lead her astray and always with a broken heart. She is vulnerable, but tough and street smart and doesn’t keep any misery close to the vest. What she won’t do for a good CANOLE....! She does like a good whiskey and diet coke though every now and again. Parents are busy and they commute to Manhattan on the subway every day.

Motivation:

Just wants to do right by her sisters. She wants to go to beauty school to cut hair and all of that, so she is doing all her side bamboozling to save money for that.
