Attitude/ History/ Background/Relationships:

Friendly, calm, positive, open, single, lives at 333 Oakhurst Dr. With Christi. Likes to go to the funky Dresden piano bar and the Formosa for drinks. Works as Robbie's assistant at Herbalife. Easy going, good friend. Mellow, chatty, calm vibe. Easy smile and always makes time for her friends. There is nothing she won't eat, but she is super grossed out by smoochy foods and the parts of the calamari that look like spiders. She dates once in a while. She is pretty regular on the outside. Little does everyone know, that she actually had 2 heads at birth and they had to separate one of them and remove it. So part of her always feels like part of her is missing but she has adjusted. She was spared a life of carnival show and travel, thankfully. Nobody knows all of that. Nobody can see her 15 toes on her right foot either- closed toed shoes are AMAZING THESE DAYS!!

Motivation:

Find the most fun place to go talk and eat and.... Stay under the radar.
